

## 2018-2019 Warren Philharmonic Orchestra Patrons

Few professional orchestras can exist solely on subscriptions and single ticket sales, and the Warren Philharmonic Orchestra is no exception. A large portion of our budget comes from the generosity of our patrons, some remaining anonymous. Patron donations not only underwrite our two public concerts this year, they also help fund community outreach programs such as our yearly student instructional concert. All contributions are tax deductible. Our sincere thanks to all our patrons!
