The Frank R. Bodor
"Strings of Joy!"

The Warren Philharmonic Orchestra, with the help of private donors, is giving free string lessons to Trumbull County students. Each student, from grades 3-7, is carefully selected through an application process and is loaned a free violin or cello to use. Since we began the program in 2015, the Strings of Joy students have appeared as soloists with the Warren Philharmonic Orchestra in two world premieres created for them by Pulitzer Prize winning composer Yehudi Wyner.

Educational Outreach

The Warren Philharmonic is committed to playing a vital role in Education and Community Outreach. Schools have been slow to recover from Covid and lack of busing for the students. Consequently, our free concerts had been delayed until recently. Also, the students have been given the opportunity to conduct the Orchestra – much to the delight of some lucky students.
